Claims 1, and 3-6 are presented for examination.

Claims 1 and 3-6 are rejected on the ground of nonstatutory obviousness-type double patenting for the reasons set forth on pages 2-5 of the office action of November 14, 2008.

The Terminal Disclaimer filed on July 21, 2010 has been disapproved, for the reason that the person who has signed such document does not have the Power of Attorney. The double patenting will be maintained until a proper Terminal Disclaimer is filed.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
